Department:	Sociology & Criminal Justice
Program:	Criminal Justice, BS

Program Student Learning Outcomes

Upon completion of this degree from KSU, students will be able to:

1. Identify the functions of the criminal justice system, including components, processes, and actors.
2. Recognize and demonstrate an understanding of the nature, extent, and measurement of crime through the use of appropriate statistics and quantitative methods.
3. Analyze the causes of crime through the application and evaluation of criminological theories.
4. Identify ethical dilemmas and issues relating to the criminal justice field.
5. Demonstrate the research process by evaluating research and applying research-based findings related to crime and criminal justice.
6. Apply effective communication skills necessary for the criminal justice field.
7. Recognize the importance of cultural diversity within society.
