Subject: Comprehensive Admin Review - Town Halls NOW ONLINE

As you know, the University System of Georgia has begun the Comprehensive Administrative Review (CAR) initiative. The project will look to review and refine multiple aspects of our administrative processes across the System to provide greater flexibility in supporting our academic, research, and service missions in order to better serve our students and our community.

Two Town Hall meetings were held earlier this week, one on each campus, to address project details and objectives. If you were unable to attend one of the meetings, they are now available online:

Marietta Campus CAR Town Hall - 2/12/18 : <http://ksutv.kennesaw.edu/play.php?v=00030103>

Kennesaw Campus CAR Town Hall - 2/13/18: <http://ksutv.kennesaw.edu/play.php?v=00030104>

For more information about the Comprehensive Administrative Review, visit <http://www.usg.edu/adminreview>.

If you have any questions, please feel free to send an email to: CARquestions@Kennesaw.edu.

Thank you again for your continued efforts to make Kennesaw State the best place to work, learn, and succeed.

Sincerely, Ken Harmon
Interim President
