

**KENNESAW STATE UNIVERSITY**  
**TRIO PROGRAMS**  
UPWARD BOUND MATH SCIENCE  
DECEMBER 2021

KSU TRIO Programs is proud to Recognize the efforts of Upward Bound Math Science student Kayla Wachiuri!

Kayla will receive an internship at Cobb EMC through their awesome Youth Leadership Program! The Youth Leadership Program gives current high school juniors the opportunity to develop leadership and networking skills, learn about their electric cooperative and earn scholarships.

While learning about the co-op and making connections with other students, Kayla will also be working to earn a spot on the Georgia Youth Tour. The Youth Leadership Program offers students the opportunity to earn a \$1,500, \$1,000 or \$500 scholarship, along with an all-expenses-paid Georgia Youth Tour experience and a paid student summer internship. To learn more about Cobb EMC's Youth Leadership Program, click [here](#).

KSU TRIO would like to thank CD Education Service who provided fundamental support for our programs and was an integral part in making this happen for Kayla! To Learn more about CD Education Service, click [here](#).

We are very proud of Kayla and her accomplishments!
