SCHOOL YEAR WRAP-UP
NEWSLETTER

We are so proud of our KSU TRIO Family!

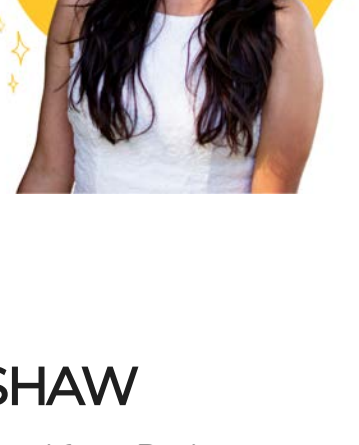

Since March 2020, the COVID-19 Pandemic has completely changed the way the world operates. Including KSU TRIO Programs. While we have clearly missed seeing you all face-to-face, we cannot say how much we admire your ability to make the best out of a dark situation, and continue to spread light to us, your peers, and your community.

It is because of our amazing staff, families, and students that this year was an amazing success. The dedication shown from our KSU TRIO Family has been an incredibly encouraging glimpse at the future amid all the worries. We are especially proud of our seniors who have graduated this year, despite all the challenges facing them.
