

Consent to Third-Party Data Collection for Virtual Programs

Name of Participant:

Name of Program (referred to herein as “the Program”):

Kennesaw State University (“KSU”) is excited for the opportunity to serve your family or organization through the above-described Program, which is being offered virtually. In order to access and participate in the Program, you may be asked to use third-party applications or websites, including, but not limited to:

- Calendly for Zoom
- Gmail
- Google Assistant
- Google Drive
- Google Workplace
- LTI Pro
- Microsoft OneDrive
- Microsoft Teams
- Nearpod
- Panopto
- Slack
- Zoom

Such programs may, subject to applicable law, collect and use personal information from the users of their sites, including children. The type of information collected will vary, but may include, without limitation, the following categories of information: profile information (including the name, picture, contact information, and any other information you add to a particular site’s profile page), contacts and calendar information, preferences and settings, device information, meeting, webinar, and messaging content shared during the meeting, and product usage information. Allowing the collection of this information may be a precondition to using such programs.

By signing this form, you agree that KSU may allow third-party applications to collect such information about your child or ward, and hereby waive and release, on behalf of yourself and your child or ward, the Board of Regents of the University System of Georgia, Kennesaw State University, all Program sponsors, and the respective parent, subsidiary, affiliated or related companies, officers, directors, employees, agents, representatives, assigns, and volunteers of each of them (collectively, the “Released Parties”) from and against all liabilities, claims, actions, damages, costs and expenses of any nature arising out of the third-party data collection described herein.
