

Winston Bishop

Marietta, Georgia 30066 | (404) 123-4569 | Winstonbishop12@gmail.com

EDUCATION

Kennesaw State University

Anticipated Graduation May 2025

Bachelor of Science in Geospatial Science

Certificate in Geographic Information Sciences

Honors: Dean's List (every semester), HOPE Scholarship Recipient

Relevant Courses: Advanced Geographic Information Systems, Terrain Analysis, Introduction to Remote Sensing, Introduction to Cartographic Processes, Natural Resources Management

TECHNICAL SKILLS

ArcGIS Pro (proficient), ArcGIS Story Maps (intermediate), QGIS (proficient), AutoCAD (beginner)

RELEVANT EXPERIENCE

GIS Intern, Cobb County GIS Department, Marietta, GA

August 2022 – December 2022

- Assisted in the analysis, processing, and visualization of geospatial data using GIS software (ArcGIS, QGIS) to support county-wide planning and development projects
- Created detailed, accurate maps for various county departments, including zoning, land use, and environmental management, ensuring the clarity and accuracy of data presentation
- Participated in field data collection and GPS mapping, contributing to the development of up-to-date spatial datasets for infrastructure, environmental, and urban planning applications
- Worked closely with GIS analysts and other departments to troubleshoot GIS-related issues and support day-to-day operations within the county's GIS infrastructure

RELEVANT PROJECTS

Spatial Analysis Project, Advanced Geographic Information Systems, KSU

Spring 2024

- Collected and integrated spatial data from ArcGIS Online and the Living Atlas, including demographic, environmental, and infrastructure datasets, to analyze geographic patterns & trends
- Developed 3D models in ArcGIS Online to visualize terrain and urban environments, enhancing spatial understanding and providing a dynamic view of geographical features
- Compiled results into a comprehensive report with maps and visualizations, presenting findings to classmates and instructors, demonstrating clear communication of spatial analysis outcomes

ADDITIONAL WORK EXPERIENCE

Server, Amelia's Steak House, Marietta, Georgia

April 2021 – Present

- Provide exceptional service to customers, ensuring a positive dining experience by anticipating needs and offering personalized recommendations
- Accurately process payments, including cash, credit cards, and gift cards, and handled tips and receipts in compliance with company policies

Lawn Care Technician, Emerald Lawn Service, Canton, Georgia

Summer 2021 and 2022

- Provided regular lawn care services, including mowing, edging, trimming, and aerating to ensure healthy and aesthetically pleasing landscapes
- Operated and maintained lawn care equipment, such as mowers, trimmers, leaf blowers, and edgers, ensuring all tools were properly serviced and in good working order
