Credit Hour Distribution - Policy for Consideration/Discussion Item

**Forecast of Approved Proposals (For Your Information)**

- **Exemption for the BS in Culinary, Sustainability, and Hospitality revision.**  
**Justification:** KSU's degree programs must align with the institution's mission, per SACS-COC, and any significant shifts must be addressed sufficiently.
  
- **Exemption for the Honors College revision to include two minors.**  
**Justification:** With the course program of study requirements coming from the Dept. of Education, a revision is needed to continue to attract, retain and graduate high ability students at KSU.
  
- **Exemption for the BS in Psychology revision.**  
**Justification:** The revision is to address bottlenecks in the degree program, thus facilitating student success.
  
- **Exemption for 8 GA Film Academy Courses**  
**Justification:** If the courses are not offered by the English department, students who have already taken some of the courses (when offered in TPS) will not be able to complete the system-wide GFA Production Certificate. There is a strong demand for employees with this skill set in GA, and students from many KSU majors pursue the certificate.
  
- **Exemption for the BA in African and African Diaspora/Black Studies and the BA in Asian Studies**  
**Justification:** The revision is to address bottlenecks for both of these degree programs, thus facilitating student success.
