

**UPCC Committee Meeting  
March 26, 2020  
Electronic Review Summary of Actions**

- Review of the Minutes from February 20, 2020

**No Corrections**

- Nancy Conley
- Daniel Farr
- Brian Etheridge
- Carolee Larsen
- Michelle Head
- Felicia Mainella
- Susan VandeVen
- Kim Loomis
- Zeynep Kelani
- Doug Moodie
- Felicia Mainella
- Bronne Dytoc

**Yes Corrections**

- Bill Griffiths - I would just like to see some more detail in a few places. For instance, at the beginning of the minutes, there are a few comments I do not understand. Honestly, if it is not important business, you can just delete random comments as opposed to paraphrasing so little. (votes to approve)

**Abstain**

- Ayse Tekes
- 
- Feedback on Curriculum Document: A Change of Program Proposal Resource
    - #7 - The wording of the second sentence
    - #7 – What about the deadlines for GPCC (shouldn't implementation term/year be consistent for both graduate and undergraduate proposals?)
    - #16 - This is a good one. I did not know these lists existed and as a UPCC reviewer I have not checked to ensure that program changes adhered to these lists.
    - #19 - Second sentence seems incomplete
    - #19 – What about the Institution's R2 Roadmap and QEP? Limiting to Strategic Plan and Mission Statement seem actually limiting, especially since most depts are now using the R2 Roadmap
    - I do not need question 24. We are an educational institute, not job training.
