College:	Radow College of Humanities and Social Sciences
Department:	School of Government & International Affairs
Program:	International Affairs, BA

Program Student Learning Outcomes

Upon completion of this degree from KSU, students will be able to:

1. identify the political, economic, and social dimensions of international affairs.
2. apply key concepts, core issues, and major analytical frameworks that inform the study of international affairs.
3. design and execute research projects that examine international affairs issues.
4. effectively articulate the political, economic, and/or social dimensions of international affairs in written communication.
