

**M.Ed. Cohort Application
Letter of Commitment**

I am applying to the Elementary and Early Childhood Master of Education program at Kennesaw State University.

I agree that, should I be accepted to the online cohort, I will attend classes online.

I understand that this program is an intensive four-semester program. I also understand that if I am accepted, the program will be delivered in the sequence of Summer, Fall, Spring and the following Summer semester.

I certify that I am prepared to make the adjustments necessary in my schedule to allow me to participate in all classes and complete all program requirements and expectations.

If I find I cannot participate in the program for a scheduled period of time, I understand that I will be required to complete a *Request to Resume the M.Ed. Program* for readmission at the appropriate scheduled semester. The ECE Graduate Admissions Committee, which considers the candidate's previous performance in addition to normal admissions criteria, will review this request; re-entry to the program is *not* guaranteed. Approval by the ECE Graduate Admissions Committee is required for me to continue the program.
