Doug Moodie called the meeting to order. He announced that there would be a change in the agenda following approval of the minutes to accommodate President Papp's schedule.

Approval of Minutes: There were no revisions requested to minutes. T. Keene: Motion to accept the minutes as read, seconded, and carried.

President Papp: Chancellor's Address last week emphasized 3 major points for KSU

- Gov. Deal: develop 2% withhold plan; state running 8% ahead in revenues compared to last year; KSU already built in 3% reserve in its budget
- New direction for university system; some consolidation of 35 schools; savings applied to educational classroom use
- Facilities utilization: significant input for future decisions; major focus for Dr. Papp to increase Friday utilization of campus; now stands at roughly 16%

Questions: consolidation thrust is not tech schools with 2-year institutions; timeframe on dean searches—name committees for Social Sciences and Science & Mathematics by November

Faculty Representative Elections:

SABAC: Rebecca Makus as nominee. T. Keene: motion to close and accept the nominee by acclamation, seconded, and carried.

FPC: Bhorat Baruah and Sigurdier Greupsson nominees for two vacancies. A. Vasquez: motion to close and accept nominations by acclamation, seconded, and carried.

KSU Athletic Association: Zafar (interested in sports, marathon runner), Holiday (former HS principal, coach) and Shaw(O) nominees; Holiday elected.

CSC: nominees Dick Teters, Chris Ramey, Samia Siha—questions raised about committee's purpose, why nominees interested; concern that Dick Teters is part time and cannot serve.

C. Ziegler: motion to have a description of committee's purpose as well as nominee's statement about interest in the committee on Survey Monkey with a vote, seconded, and carried.

Proposals for First Reading:

Provost as member on University Council: T. Keene stated that the UC is advisory in nature and at time of inception there was no provost. T. Keene: motion to waive 2nd reading (since making change to keep step with progress of institution) and vote issue now, seconded, and vote passed.

Liaison to Chairs Council: liaison on FSEC if passed RC Paul: motion to approve liaison to Chairs Council. Questions: reciprocal membership; liaison on dean's council; Doug to contact dean's council;

+/- Grading: currently looking to set up same system as Georgia State—questions raised about problems caused on other campuses, benefits of new sys vs. leaving as is. S. Braden: motion that FSEC set up open forums for students and faculty, seconded.
