Good afternoon, Renee:

Thank you for your email. Would you please send me the KSU # for the students who are the recipients of the award? I will need to review their accounts to ensure they are eligible for the award. Also, are there any stipulations on eligibility based on GPA, enrollment, financial need, etc.? Thank you in advance for the information.

And, no!! I was not aware that you would be leaving next month!! I wish you all the best and much success in your future endeavors! Thank you for letting me know.

Importance: High

Hi Domoni,

It has been brought to my attention that I need to get your approval for a cash award for our students of the year. This is new for me since this was not required in past years. My apologies for not coming to you sooner. I have attached a few files to better explain the requests.

Let me know if you need anything else. FYI, I will be on vacation April 4-8, 2022. Also, I don't know if you are aware or not, but my last day with KSU will be April 15, 2022. I will be moving over to GTRI, Marietta.
