are awarded accordingly.

Part X, Line 2:

Schedule D (Form 990) 2019

The Foundation qualified as a tax-exempt organization as described in Internal Revenue Code Section 501(c)(3) and has been classified by the Internal Revenue Service as a publicly supported organization and not as a private foundation. However, income from certain activities not directly related to the Foundation's tax-exempt purpose is subject to taxation as unrelated business income. The Foundation follows the statutory requirements for its income tax accounting and generally avoids risks associated with potentially problematic tax positions that may be challenged upon examination. Management believes any liability resulting from taxing authorities imposing additional income taxes from activities deemed to be unrelated to the Foundation's tax-exempt status would not have a material effect on the Foundation's financial statements.
