- Travelers should enroll in the Department of State [Smart Traveler Enrollment Program \(STEP\)](#).
- Travelers are advised to have a Travel Medical Consultation at [Student Health Services](#) or a travel clinic prior to travel.
- I acknowledge the following **International Risk Management Advisory Board Waiver and Release**:

I understand there is an active risk designation for the country(ies) of my proposed travel. I have reviewed the health, safety and security information for the country provided by the U.S. Department of State Travel Advisory and Centers for Disease Control and Prevention (CDC). I recognize the inherent risk of traveling to this country(ies). Despite the safety concerns identified in the active risk designation, I have decided to seek admission to travel to the country(ies) identified in this petition.

I understand that IRMAB approval may require stipulations for travel including, but not limited to: restrictions on authorized locations, including personal travel; accommodation requirements; prohibitions on forms of transportation; curfews. I acknowledge that should the conditions of the risk designation change between now and the travel start date, or during the midst of travel abroad, the IRMAB may alter its stipulations or authorization of student travel to the country(ies) or region(s). Such alterations may include rescinding travel approval at any point, including while abroad. During travel, I agree to promptly respond to any requests for information or status updates from the Office of International Safety & Security and adhere to any additional directives of the IRMAB.

While participation in this travel may fulfill Kennesaw State degree requirements, I acknowledge that my participation is not mandatory. I have decided to travel to the country(ies) identified in this petition with full knowledge of the identified risks. I acknowledge that participation in the proposed travel involves some risks of injury, illness, or loss of personal property. I do release, covenant not to sue, and forever discharge for myself and my heirs, executors, administrators and assigns, Kennesaw State University, the Board of Regents of the University System of Georgia and each of their respective parent, subsidiary, affiliated or related companies and the officers, directors, employees, agents, representatives, successors, assigns and volunteers of each of the foregoing entities (the "Released Parties") from and against any and all liabilities, claims, actions, damages, costs, and expenses of any nature arising out of and/or related to my international experience and associated activities, including but not limited to, all attorneys' fees and costs of court. I understand that this release includes any claim based on the negligence, act, or omission of the Released Parties.

I understand that should I violate any laws or regulations of any country visited as a part of my participation in this proposed travel, the above listed entities may not be held liable for such conduct. I further understand that if I should confront a legal problem, Kennesaw State University cannot officially represent me or my legal interests in dealing with a foreign legal system, nor can it assume any direct responsibility for the actions of a foreign government.

I understand that this Waiver and Release means that, among other things, I am giving up my right to sue Kennesaw State for any such losses, damages, or injuries I may incur by virtue of my proposed travel.

I have read this Waiver and Release in its entirety. I fully understand it and agree to be legally bound by it.
