Matrix Defintions	
Accurate	Background checks
Alight	Benefits provider
App Gateway	Portal for various programs (UITS separation notifications/TAP/Campus Directory Module)
AIM	
BlackBaud	?? (Could you mean Blackboard? Blackboard is a learning management system for higher ed)
Bookings	
Careers	Applicant tracking system
Corp Cost Control	
CUPA	College and University Professional Association for Human Resources
ETQ Reliance (Worker's Comp)	
Equifax	I9s and new hire packets
EMS (Event Management System)	Schedule meeting rooms
Enterprise Rep	
E-verify (Orie grants access)	Confirm employment eligibility
FIS Drive (faculty only)	?? "FIS" is Faculty Information System, but it's not a drive (it's a web-based software) - so maybe there's refer to as "FIS Drive"?
FTP (File Transfer Protocol)	Used to securely share confidential or sensitive files - I'm aware of the USG one, but it's listed twice her too?
Hplay	Dummy version of OneUSG Connect (used to test things and log in as others to help troubleshoot issues
HR Acuity	Employee Relations
I Drive	Shared drive - AAF and Payroll
Job Description Library	Repository of all job classifications with descriptions
KSU Connect	
M Drive (Person-L)	Shared drive - HR
MetLink	MetLife disability review
N Drive (Faculty Only)	Shared drive - AAF and Budget
Nolij/Onbase	Document management system (used to store personnel files)
OneUSG (PeopleSoft)	Human Resource management system (used to manage employee data)
Owl Express	What KSU calls our Banner system (system used to manage student processes/data)
Owl Pay	used to submit payment requests to Accounts Payable
PayFactors	Compensation management software (used by class & comp to evaluate salaries)
Query Manager	Area within OneUSG (PeopleSoft) that allows users to access data reports from OneUSG (PeopleSoft)

Qualtrics	Survey tool used by KSU
ServiceNow	Automated workflow (used to assign inquiries to appropriate teams for response and to respond back t one is separate from KSU one
USG Portal in Snow	Automated workflow (used to assign inquiries to appropriate teams for response and to respond back t one is separate from KSU one
SSN Verification	system used to confirm an employee's SS number when they don't provide the actual card
TIAA Plan Focus/ Retirement	Retirement Portal
TRS Employer Portal	Portal used for TRS (retiement certification/refund requests)
USG Exit Survey	Survey used when KSU employees leave the university due to separation or retirement
USG FTP	used to securely share files - I'm aware of the USG one, but it's listed twice here?

s also a drive they

e? Does KSU have one

s)

o customers) - USG
o customers) - USG
