Agenda:

Old Business:

Service and Emotional Support Animals on Campus Policy

Any animal can be an Emotional Support Animals. Emotional Support Animals are limited to student housing, and transport to and from student housing. Service and Emotional Support Animals must be well kept. In Georgia, laws and policies that apply to Service Animals also apply to Service Animals in training. The University will seek to provide reasonable accommodations when there is a safety, such as in a chemistry laboratory, phobia, or allergy issue that arises do to the presence of a Service Animal.

Policy Process Council description in the University Handbook
