Agenda:

New Business

Non-Discrimination Policy – Donna Davis Reddix

- The draft is KSU's existing Non-Discrimination Policy converted to the Policy Portal template with plans to add it to the Portal.
- Inquiries, concerns, and lawsuits related intersections between the Non-Discrimination Policy Potential and freedom of speech, religion, etc. or external rules, such as NCAA guidelines, are handled on a case-by-case basis.
- Because this is an existing policy, applicable issue and effective dates will be researched and added, as appropriate.
- It was suggested that additional contact information be added to the second paragraph of section 6.
