For each trip entry your RSO is requesting SABAC funding you are required to add a "Travel Support Funding" section to your budget request. You are required to rename each "Travel Support Funding" section to match the Trip Name you previously provided within the "Background" section of the budget request process.

Trips must be itemized and cannot be submitted as a "lump sum." Be sure to provide documentation for each line item expense (e.g. air travel, lodging, rental car, mileage, etc.).

Expenses related to organizational travel off campus. Travel must be for the expressed purpose of representing the RSO and KSU at a local, regional, national, or international conference and/or competition that relates to the purpose of the RSO.

Allowable Expenses- registration costs, lodging costs, travel costs (including airfare, public transit, and mileage reimbursement), parking fees, airport shuttle fees

Prohibited Expenses- food of any kind, materials of any kind (including presentation boards, printing, and clothing), any costs associated with non-students (e.g. staff advisor), sales tax

Spending Limits: \$500 max per student per trip; \$1,500 max per student per fiscal year; \$5,000 max per RSO per fiscal year.

NOTE: Kennesaw State University continues to suspend all current year University-sponsored international and domestic travel. RSOs and departments may submit travel requests as part of SABAC's FY22 annual budget review process. Approval of FY22 travel funds is conditional, and funds may only be released if current travel restrictions are withdrawn.

<b>Airfare</b> Air Travel (651120) (Expense) The item being purchased would be four roundtrip tickets to Houston and back. The students would leave on Thursday 2/9 and return Saturday 2/11. <a href="#">Flight Tickets pdf.pdf</a>	4 x \$237.20	\$948.80

<p><b>Registration Fee Registration (727110) (Expense)</b></p> <p>The registration fee has not been released as of now. It is planning to be released on 10/28. As a filler, the previous fee for the regional conference was \$110. This has been consistent in other years except for the virtual regional meetings. We also only have \$274.82 remaining of the \$5,000 limit for each organization. This limits the request to \$274.82. Program/Event Funding

**Previous SABAC Funding**

Please provide a written statement below demonstrating that your organization effectively utilized the funds that were allocated to it to accomplish the goals for which those funds were awarded.

- In past years, the funds provided to the French Club for the mocktail party and fashion show have been used to appropriately represent the culture and customs of the chosen Francophone country through trivia and talent shows, music, food, and decorations. These funds have allowed the French Club to create an enriching environment in which attendees learn about the French and Francophone culture. In turn, the club has been able to promote KSU's theme of globalization.

We plan to highlight the culture of Madagascar at this event. In order to promote the improvement of the French language and Francophone Cultural knowledge, there will be cultural activities and food inspired by Madagascar, a cultural presentation, trivia, music, and other activities that facilitate cultural exchanges in French between students.

Okay thank you!

No problem!

So if you got 16-17 shirts that would keep you under \$500

17 is cutting it close though

Each shirt will be a little more expensive though.

Sorry, did my math wrong. You can get 19 and still be under \$500

and shipping is always free

Sounds great

### Program Funding

Program Name

- 6th Annual K-Pop Festival

Proposed location(s) of program

- University Rooms A-C

Proposed date(s) of program

- November 29, 2022

Please provide a detailed written description or descriptions of the specific programs, activities, or events the RSO intends to sponsor.

- Since there has been a huge buzz of excitement for K-Pop around KSU (the same should be true for any school in the US), it is a great opportunity to harness the excitement of Korean pop culture to get students interested in learning the language. In an effort to further enhance KSU students' intercultural awareness and create a level of enthusiasm, in October of 2015, the first K-Pop Festival was held in Social Sciences Film Room, which was a huge success with more than 100 KSU students attended, and it has been held annually and has become one of the most popular events at KSU since its inaugural event in 2015. K-Pop Festival featuring K-Pop music, dance, a quiz bowl, and Korean food has successfully accomplished its goal of promoting and raising visibility of the Korean Program at KSU. Despite its short history, the K-Pop Club has been successfully accomplishing its mission and growing vigorously and complements the growth of the Korean Program at KSU that started in 2013 and has been thriving in the face of challenges that have daunted most other foreign language programs.

Unfortunately, the event has been on hold since the 5th K-Pop Festival in November of 2019, where more than 300 students gathered, due to the global outbreak of COVID-19. The K-Pop Club at KSU is willing to outreach our service and expertise and resume this annual capstone event in collaboration with the other two RSOs, K-Pop Dance Club and Korean Language & Culture Club, to support KSU's goals of fostering a welcoming, diverse and inclusive environment and achieving engaged citizenship, global understanding, and appreciation of cultural diversity by infusing multicultural, global perspectives. Not only is this an event for our Club, associated Programs, or KSU, but it is also a chance to collaborate with community partners (including the Consulate General of the Republic of Korea in Atlanta, the Korean Education Center, and local businesses).

Despite its huge success, the participants of the past events have always suggested that we need to provide them with both prizes and Korean food. In order to continue our progress and success in the event, we try to secure funding for Korean sample foods through SABAC. The K-Pop Club will reach out to the community partners mentioned above in an effort to fundraise and garner support for this event.

K-Pop Festival has indeed been a showcase and a great opportunity to foster cultural understanding among KSU students, and we'd like to continue our mission of promoting the Korean language and culture and inclusion of all peoples and diversity on campus through this innovative event.

### Previous SABAC Funding

Please provide a written statement below demonstrating that your organization effectively utilized the funds that were allocated to it to accomplish the goals for which those funds were awarded.

- Previously we were able to effectively use funds to travel to the Southeast Sustainable Conference. This conference provided educational and networking benefits to all who attended. After attending the conference, members came back to campus with a burning desire to stir up change at KSU and make a real difference in our community.

### Program Funding

Please provide a detailed written description or descriptions of the specific programs, activities, or events the RSO intends to sponsor.

- For this event, Eco Owls members would meet in Kennesaw Hall where our general body meetings are held. The leadership team will talk about updates, upcoming events, and the event we are doing that day. We would discuss the sites around campus where we are cleaning up trash and then break up into groups (with one leadership member in each group). Leadership members would disperse supplies for the cleanup to each group member and then lead there group to the designated location. Each group will clean up trash for an hour and then all the groups will meet back together and weigh all the trash before throwing the trash away in one of the dumpsters located on campus (i.e the dumpster behind the Prillaman building).
